

ITE SCAVENGER HUNT

WEEK 2 ACTIONS

NIGHT WATCH

POINTS

- Go outside at night: locate and take a picture of the Neowise comet that is visible until mid-August. (5 points)
- Go outside at night: upload a recording of any animal that is making noises. (1 point)
- Spot the moon, take a picture. (1 point)
- Identify the North Star (Polaris) in the sky, draw a picture of it in relation to the Big Dipper and Little Dipper asterisms! (1 point)

URBAN ECOSYSTEMS

POINTS

- Walk around your home/neighborhood, identify assets, and take a picture! Try at least one from each category: people, places, nature, infrastructure, & aesthetics. (2 points per picture and category identification, up to 10 points)
- For any/each asset you identified, tell us why you consider it an asset. (2 points for each explanation, up to 10 points)
- Write a haiku about one or two of the assets you identified. (1 point)

COMMUNITY ACTION

POINTS

- Take a picture of your favorite local business. Why is it your favorite? (2 points)
- Find a picture of you & a friend or family member in nature. Send it in with an explanation of who, what year, and where the pic was taken! (3 points)

BIODIVERSITY

POINTS

- Find a native plant that's in bloom (probably from the monsoon rains!), take a picture. (1 point)
