

ITE SCAVENGER HUNT

WEEK 3 ACTIONS

BIODIVERSITY

POINTS

- Walk around your home/neighborhood, you'll get 1 point for every plant and animal that you are able to take a picture of. (1 point per picture, up to 5 points)
- You'll also get 1 point for every one of those that you're able to identify correctly! (up to 5 points)
- Draw/paint/sketch a picture of one of the plants/animals you identified. (3 points)

GET ACTIVE

POINTS

- Choose a yoga pose, go outside and take a picture of yourself doing this specific pose. (2 points)
- Go for a walk. Take a picture of your starting and ending point, and write about your favorite thing you saw along the way. (4 points)
- On your walk, did you see anything that doesn't quite belong? Write a sentence or two about Leave no Trace. (2 points)

COMMUNITY ACTION

POINTS

- Get some chalk, go outside, and write a nice message to your neighbors, ex: identify a plant for them and write how cool it is, "have a great day," "happy monsoon season!", get creative. Take a picture of what you wrote. (2 point per picture, up to 6 points)

URBAN ECOSYSTEM

POINTS

- Catch a sunset or sunrise, take a picture. (1 point)
- Can you see some mountains from where you live? Take a picture. (1 point)
- 1 point if you can identify which mountain range it is!
